

REMARKS/ARGUMENTS

Entry of this Amendment After Allowance Under 37 CFR 1.312 is respectfully requested since it does not add any new matter or require further consideration. More specifically, the amendments to independent claims 1, 2 and 11 were made in order to correct the lack of antecedent basis for "the plurality of wireless information recording media" noted therein; the amendments to independent claims 15, 16 and 20 were made in order to correct the lack of antecedent basis for "the wireless information recording medium" noted therein; and the amendments to dependent claims 8 and 18 were made in order to correct the grammatical errors noted therein. The lack of antecedent basis in claims 1, 2, 11, 15, 16 and 20 and the grammatical errors in claims 8 and 18 were discovered by applicants' attorney during a post-allowance review of the claims and the applicants' attorney has been diligent in correcting any informalities that he has become aware of.

Respectfully submitted,

OBLON, SPIVAK, McCLELLAND,
MAIER & NEUSTADT, P.C.
